Government. The Government is not going to share the responsibility of safeguarding the money with any Hon'ble Member of this House. It is the duty of the Government to see that public money is properly safeguarded and it is also the duty of the Government to see that most advantageous terms are obtained consistent with the safety. That is the policy of the Government now and it will always be so.

Regarding the acceptance of the accounts to be remitted towards the Madras University Examination Fees in the State Treasuries.

363. Mr. T. C. Iyyukutty *(Pazhanji).*—Will the Government be pleased to state why the Treasury offices in the State are not receiving the amounts to be remitted towards the Madras University Examination Fees, though the University has granted this privilege?

Mr. P. V. Subramania Ayyar *(Comptroller of Accounts).*—The University Examination Fees have to be remitted into the British Treasuries and hence the State Treasuries are not accepting them.

Mr. T. C. Iyyukutty *(Pazhanji).*— Will the Government be pleased to make arrangements for private candidates for remitting into the State Treasuries?

Rao Sahib I. N. Menon *(Director of Public Instruction).*—I would like to explain. In the College what is usually done is, the Principal collects these fees as far as possible and takes the trouble of sending the amount to the Treasury in British Cochin. It is impossible in the case of private candidates who are not undergraduates of the College.

Mr. T. C. Iyyukutty *(Pazhanji).*—They also must get some privilege. These people find it very difficult to remit money. So some convenient arrangements may be made.

Rao Sahib I. N. Menon *(Director of Public Instruction).*—They can remit the amount in the Imperial Bank of India.

Mr. A. Eachara Menon *(Chittur Rural).*—What is the objection for the Government to grant the privilege?

Rao Sahib I. N. Menon *(Director of Public Instruction).*—Government does not stand in the way of granting any

privilege. The rules of the Madras University are very definite. The rule is "In the case of the candidates residing beyond the limits of British territory, the fee should be paid as follows:—In Travancore, into the Imperial Bank of India, Trivandrum; in Cochin, into the Taluk Treasury or into the Imperial Bank of India; in Mysore, to the officer in charge of His Majesty's Treasury at Bangalore or any District Treasury."

Mr. T. C. Iyyukutty *(Pazhanji).*—So there is no harm in remitting into our Treasuries.

Rao Sahib I. N. Menon *(Director of Public Instruction).*—British Cochin Treasury and not our Treasury.

Handing over treasury work to banks—proposal regarding.

364. Mr. E. Ikkanda Warriar *(Urakam).*—Will the Government be pleased to state:—

(1) whether there is a proposal to abolish any of the treasuries in any taluk and hand over the treasury work to any banks;

(2) if so, what are the reasons for doing the same and the name of the bank or banks which they propose to employ for same?

Mr. P. V. Subramania Ayyar *(Comptroller of Accounts).*—(1) No.

(2) Does not arise.
